3RD ANNUAL JAYDEN'S 5K RUN / 2K WALK

PRESENTED BY **YOUR HEALTH WELLNESS CENTRE**

Jayden's Run: A Brief History...

In 2015, our first run was organized to help support Jayden, a young boy diagnosed with Autism and Cerebral Palsy to help him pursue his life's dream of being a regular kid and Karting champion. **This year**, we're joining forces as a community to make it the biggest Jayden's Run yet with proceeds raised from this event supporting Jayden and ROCK's Youth Aiding Youth program. YAY is a mentorship program that provides one-to-one peer support for children in need. Learn more at: rockonline.ca.
