Payment is due at the time services are rendered. For your convenience, we accept cash, cheque, debit, Visa and Mastercard. This policy applies to all of our patients. We understand that unusual circumstances may arise and that payment in full at the time of service may not always be possible. Special payment needs should be discussed by the patient and a member of the business department. Payment plans are subject to approval by the administrator and your therapist. In such cases, you will receive a monthly statement showing all charges and payments. If you have not made payment in full, or made full financial arrangements with our office, your account will be reviewed for collection. If payment is not made on a bill from our office within forty-five (45) days after the date of the bill, interest may be charged to you on the balance of such bill commencing on the forty-fifth (45) day after the date of the bill. The interest rate will be eighteen percent (18%) per annum. Patients having health care coverage should remember that professional services provided are the patient's responsibility, not the insurance company. Our office does not file insurance claims for you; however, we would be happy to help you find the necessary documents and invoices upon complete payment of services for you to submit for reimbursement.

**We require 24 hours' notice if you are unable to make your scheduled appointment. After an initial warning, appointments cancelled with less than 24 hours' notice will be charged in full, unless the appointment is rescheduled within 48 hours.**

Custom-made orthotics will not be ordered for a patient until the patient has paid at least 50% of the item cost. We do realize that custom orthotics are an expensive part of treatment and we do make every attempt to control these costs. Our staff is available to assist patients with insurance benefit verification for such items.

If you have any further questions regarding insurance, be certain to bring in your insurance book so we can determine your coverage and avoid confusion. We want your experience with YOUR HEALTH to be a pleasant one and we hope this information will help to make it so.

I have read the Your Health Wellness Centre financial policy and understand my financial responsibility and agree to the terms stated in the Financial Policy. I HEREBY AGREE TO PAY ANY AND ALL CHARGES FOR SERVICES RENDERED AND ITEMS PURCHASED AT YOUR HEALTH WELLNESS CENTRE.

### Consent For Treatment for Massage Therapy

The general benefits of massage, possible massage contraindications and the treatment procedure have been explained to me. I understand that massage therapy is not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy. I am also aware of the possible side effects from a massage treatment such as temporary muscular discomfort (24-48hrs post treatment), bruising and possible dizziness.

I have informed the massage therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage therapist updated on any changes. I understand that there shall be no liability on the practitioner's part due to my forgetting to relay any pertinent information. If I experience any pain or discomfort during the session, I immediately communicate that to the therapist so the treatment can be adjusted.

I have read the above consent. I have also had the opportunity to ask questions about its content, and by signing below I agree to the above named procedures(s). I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
